As someone who lives in this area, I am deeply concerned by this proposed plan.

I worry about the character of our area, as the Preston Market is at the heart of our community.

Many people rely on the Preston Market for fresh and local products.

The demolition of 80% of the market will directly impact thousands of locals who frequent the Preston Market, forcing them to shop at larger corporations and supermarkets.

It will also devastate many small businesses, who have operated from the Preston Market for many years.

The unprecedented density levels will create congestion, and difficulty for locals to travel the surrounding areas.

It might also stop many people travelling to the Northern Suburbs who will want to avoid this congestion and traffic, further impacting on other business in the area.

So much work has been done to alleviate congestion, with the removal of level crossings. However, I fear this will set us back greatly.

A proposed building of up to 20 stories, would be very out of character for our area, overshadowing our public areas.

Please reconsider this development, with a stronger focus on what's important to our community and local business.

**I confirm that I have read and agree to the above conditions for making a submission.**
