The railway level crossings at Arden Street and Macaulay Road will need to be grade separated at some stage in the future. Space should be preserved to allow this to happen. This means space immediately east of City Link will need to be preserved to allow a rail over

solution for level crossing removal. A new Macaulay Station will be required maintaining efficient interchange with the 402 bus and providing convenient connection via accessible pathway to the new Arden Station.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
