Please zone for nightlife, Melbourne's creative culture needs spaces to thrive, we have a rapidly advancing music culture constantly held back by development and poor planning. Please ensure there are spaces beyond the glass and aluminium street frontage of all new developments. We need basements, rooftops, look at the nightlife of city of Melbourne and how it is intertwined through the built form, please consider this if you want locals to accept these areas and want to live in them. It's about experiences.

I confirm that I have read and agree to the above conditions for making a submission.
