I agree with the need to develop the Arden precinct. But I am so upset that we are going to have to put up with the huge buildings, disruptions and construction for years and get nothing in return! There should be much more investment in Moonee ponds creek, it is absolutely disgusting there and could have huge potential if some investment was made to clean it up. The developers of Arden buildings should be made to help pay to fix up Moonee ponds creek asap, so we all have some green space not waiting another 5 years. Please plant trees, create boardwalks, clean up the rubbish, arts screens so we don't have to look at ugly trains and make sure residents have somewhere to walk. There is going to be more people living in this area and Moonee ponds creek will be more important than ever. I know you have the opportunities plan on participate Melbourne about Moonee ponds creek but there has been zero progress since 2019. Just fix it up and we we all be so much happier putting up with Arden. Please don't just say this is out of scope too, because you can definitely make those developers pay for our creek upgrade.

I confirm that I have read and agree to the above conditions for making a submission.
Yes
