I would like to add my support to the call for more low-cost housing within the development. For this to be a true community you need to cater for people with a range of different socio-economic statuses.

I would also like to show my strong support for improving the range of sports facilities in the area. The new oval is a great idea. People need somewhere to exercise and we need to learn from the obvious planning failures of the Docklands and ensure that there is enough sports facilities and green spaces.

I am a passionate AFLW fan and would love to see an improvement in spectator facilities at Arden St. With both a AFLW and VFLW team based at Arden St this is a great opportunity to support women's sport in the new development.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
