I would like to say that the new 2nd oval and green space is a vast improvement on the original plan. If this development is to work and build a true community then the NMFC and The Huddle should be strongly involved in this development. More sports facilities are needed for the extra residents that will be living in Arden.

The pandemic has shown us how important green spaces and exercise facilities are for all types of people and this should be a key part of any plan.

I confirm that I have read and agree to the above conditions for making a submission.

I agree to the Collection Notice
