This submission is being made on behalf of CityLink Melbourne Limited (CML). CML manages the elevated CityLink motorway in the Arden precinct and is the beneficiary of the CityLink Project Overlay (CLPO) in the relevant Melbourne Planning Scheme. As the CLPO will continue to apply to the relevant land affected by this Planning Scheme Amendment, CityLink does not propose to make any submissions. However should submissions be made by others in relation to the CLPO, CityLink wishes to be advised of these in order to be provided with the opportunity to make further submissions and request to be heard before any Planning Panel or Advisory Committee considering the Planning Scheme Amendment, as relevant.

CityLink also welcomes any opportunity to discuss with key stakeholders such as Department of Transport and City of Melbourne active transport that may connect in with the Shared Use Path that runs under the elevated CityLink motorway near Arden St and any future Shared Use Paths or bicycle paths that may be developed in the Arden/Macaulay Precinct to support future developments in these precincts
