Why reopen Lauren to Ireland st? Strat 15.3

20 odd years ago, Lauren st was blocked off to Ireland st and converted into a park. This stopped trucks and hoons from racing down Ireland and Adderley sts to avoid the Spencer st traffic lights. It calm our streets down to locals only, and enable COM to create a park. This park was well used before Transurban claimed the land. Why would you consider reopening the road as part of the Arden strategy, it will encourage more rat races, and West Melb needs more the parks & safe bike rds.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
