I object to the inclusion of a quarry within the Beveridge NW PSP on the following grounds:

1. The area is planned for residential development and a quarry will severely impact this.
2. The immediate area to the north of the planned quarry is planned for residential development (Wallan South PSP) and a quarry will severely impact this development.
3. Who wants to live near a quarry? And who would plan a quarry smack-bang in the middle of an urban growth residential area? Seriously. Greedy and ludicrous!
4. The material to be extracted from the proposed quarry is very common in Victoria and can be found elsewhere.
5. The proposed Beveridge Intermodal Freight Terminal on the opposite side of the Hume Fwy will bring huge employment opportunities to the area and the above-mentioned residential developments will be essential to support this.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
