I would like to oppose the quarry at Beveridge North West. I own 3 houses in the Mitchell Shire.

1. I have witnessed the quarry and trucks since moving to Wallan 34 years ago, [REDACTED] [REDACTED] from the constant trucks leaving the quarry with freshly loaded rock that always spills from the trucks, even though they are covered, and also the stone that gets flicked up from other cars.
2. The view from one of my houses looks straight down a road that overlooks the current beautiful canola fields and open spaces. It will be an eye sore and will lower the price of the house.
3. Dust! Although there is talk of watering down the dust, also with Beveridge quarry there is always the inevitable dust.
4. It will be an eye sore on the land,
5. Traffic along the northern highway is already severely congested at peak times. Trucks will make this worse.
6. Will lower the price of housing in Wallan. Who wants to move to a town with such an eyesore and big trucks continually spilling stone.

I confirm that I have read and agree to the above conditions for making a submission.

I agree to the Collection Notice
