I'm really concerned about this quarry going ahead and am putting in my objection to the VPA. My main concerns are the traffic that it will create in the area and the dust related diseases like silicosis that this will cause to the residents in the area. I moved to Wallan to get away from the traffic and pollution in suburban Melbourne and provide my kids with an opportunity to grow up breathing fresh air. It's absolutely insane that someone would even contemplate approving and building a quarry between 2 growing suburbs like Wallan and Beveridge. This issue has not received the attention it should have in the local media, since the owners of the quarry also own the local paper. This quarry is going to have a very negative impact on the town and needs to be stopped.

I confirm that I have read and agree to the above conditions for making a submission.

I agree to the Collection Notice
