Re: Amendment C158 – Beveridge North West PSP

As a resident of Wallan, I object to this development. There are currently 4 sets of traffic lights heading south to exit Wallan. These lights currently create traffic build up at peak times of the day. To install another set of traffic lights to allow quarry trucks to enter the highway would be detrimental to all Wallan residents and would only benefit the developers of the quarry. There is currently a quarry in close proximity to Wallan, which allows for a great number of trucks entering the Hume freeway near Wollert. The truck loads are rarely covered and rocks and debris frequently damage other vehicles on the freeway.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
