I strongly oppose the quarry in Wallan/Beveridge.

The main grounds being, the health effect that it will have on the residents of Wallan and

Beveridge, particularly young and elderly people with breathing problems.

Another concern that I have is of the traffic safety when you exit the Freeway when you come in to Wallan. It is quite dangerous at the moment without added traffic, and intersection and trucks.

I feel very strongly about the young people who have decided to start their lives with their first homes in Beveridge and Wallan, only to have spent their money to find out there is going to be a quarry on their backdoor steps.

I live, as the crow flies, approximately three to four kms from the quarry, I am sure that when the wind comes, the dust will fly all over Wallan.

And one of my strongest issues is that it is not going to bring any employment benefits to the local area or community.

I confirm that I have read and agree to the above conditions for making a submission.

> Dear Hon. Richard Wynn's. My name is Cheryl Pocock and I live at [REDACTED], Wallan. I am writing in regards to the plan proposed to develop a quarry at 175 Northern Highway, Wallan.

>

> Mitchell Shire Council has rejected this proposal 2 times already. I am very disappointed that Vcat has not been able to make a ruling and now it's up to you to make the final decision. You don't live in the Mitchell Shire and may not fully understand the distress that this plan is causing myself and fellow neighbours. I believe there is no benefit to our local community as only minimal jobs can be created from this project and there is multiple negative impacts to consider as well.

>

> A Quarry can impact people breathing especially those who suffer from asthma and allergies. The people of Taylor's lane will suffer from property depreciation. Wallan Secondary Collage and local footy grounds are to close to the proposed site.

>

> I am a [REDACTED] year old woman who has voted [REDACTED] (state and federal) all my life. It's time you considered the people of our communities before a decision is made. I will not be voting [REDACTED] again if this quarry is approved and will be sure to encourage other to do the same.

>

> The decision is yours to make but I pleaded with you to do what is right for the people and not the owner of the proposed quarry.

>

> Kind regard,

> Cheryl Pocock
