I have grave concerns that this proposed quarry would bring dust, noise, vibrations, congestion and impact not only my health and wellbeing but everyone living around the quarry. Currently, the traffic on the Northern Hwy, in peak hour, is banked back to the Hume making it extremely dangerous and now you want to add to this!!! I want to know who making profit from this proposed venture and when it comes to making money, do people not matter anymore?

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
