We don't want any more trucks roaming around. It's already ridiculous. Lastnight there were trucks driving past at 2 in the morning. It's so frequent it's insane.

Adding a quarry would be an idiotic decision. We only have one way out of wallan some days due to road works, train issues that don't allow you to cross the track to exit wallan, or accidents.

Just think about the traffic build up once we've got more vehicles and trucks coming right through here.

Not to mention they call Wallan 'Windy Wallan'. Please think about the dust and allergens you will be sending to ALL OF US RESIDENTS whom have lived here previous to your idea to chuck a quarry in.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
