Most weekdays on the drive home i get stuck waiting to exit to Wallan in the left hand lane of the freeway. This is a 110kph zone. I have lost count on the amount of times i have seen someone almost killed. If quarry traffic was included in this daily dice with death i have no doubt fatalities will ensure. Wallan and Beveridge are fast growing residential areas with limited/minimal access to the hume freeway and therefore do not require the extra traffic, noise, chipped and replaced windscreens from rocks and dust

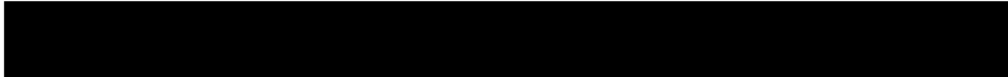

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
