Hello,

My family moved to Beveridge for the clean air, quiet community vibe and we feel strongly that we DO NOT want a quarry in such close confinement to our home. The effects of the quarry, inclusive of noise, and the effects of the increased dust on my chronic lung disease would not be of benefit to our community and would encourage us to leave the Beveridge district as it effects liveability.

Please reconsider the location of the quarry! We don't want it in Beveridge!

Warmest regards,

Zoe
