The proposed quarry at Beveridge/Wallan would create huge disruption and noise to the community. I oppose this quarry because the heavy vehicle usage of Northern highway will ruin the access into Wallan, causing traffic delays and damage to residents cars. The quarry being so close to the towns of Wallan and Beveridge will devalue the properties of residents and farm land nearby. Dust and congestion to the already problematic roadways will also devalue these lovely country towns.

I confirm that I have read and agree to the above conditions for making a submission.

I agree to the Collection Notice
