I have great concerns about Amendment C158 – Beveridge North West PSP. (Quarry)

The impact on Wallan as a whole, families, dust and our health. Not to mention the traffic and trucks.

People who live off Taylors Lane, they are at a big disadvantage. Price drop for housing, dust and it is such a family area with lots of young children. It will have a huge impact on people's health.

Our council has rejected it twice. Doesn't this say something?

I don't understand how it can go further when it has been knocked back.

For all of our community please put a stop to this.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

No
