I moved to Wallan 12 years ago because of the lifestyle that Wallan offered. My family also moved to wallan for the same reason. I strongly appose the quarry as I moved here for the rural lifestyle. I dont have sympathy for people who complain about a quarry or concrete plant or tip when they move to an area as that particular annoyance was there first but in Wallan all these residence are here first and a quarry with a set of lights holding up traffic in and out of Wallan when there is only 1 way in and out is asking for trouble either on the Northern Highway or the Hume where traffic gets banked up. B double trucks on the Northern will cause further interuption as they, unlike cars they are unable to get to top speed quickly and so holding up traffic again when it is a 100km zone. Noise and health risks from a quarry in Wallan is another consideration as that is not why we all moved to this semi rural area. I implore you to reject and quash this planning permit for good in the interest of all and future Wallan residents.

I confirm that I have read and agree to the above conditions for making a submission.
