I strongly oppose a quarry being proposed in this area for the following reasons.

[REDACTED]

Air pollution because of the dust in the air would be harmful.

Increased noise would give me headaches.

The vibrations would scare me.

My property value will be negatively impacted.

Traffic congestion would mean more time taken to reach destinations.

It is for these reasons that we vehemently oppose the proposed quarry.

I confirm that I have read and agree to the above conditions for making a submission.

I agree to the Collection Notice
