I am writing to inform you of my disappointment for you to look at ruining our beautiful area and so close to loving area.

I have a small family and we moved here intentionally to get away from Wollert and "city" like rubbish.

The northern highway is already a terribly busy road and your plans not only make it worse but even cause more damage to roads that the government never keeps in good standards.

Then their is all the dust pollution your going to introduce into the air.

I do not want your quarry and all the trouble it beings

I confirm that I have read and agree to the above conditions for making a submission.
