I am against the the quarry and don't believe that they amount of jobs being allocated to the quarry , out lays the amount of nature that will be destroyed. At the moment there are pleat of Job opportunities for those who want to work. By allowing this to go ahead will damage the habitat, the housing market, create more chaos on the roads to an area that is already stretched

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**
