I am writting with a heavy heart after observing the latest amendment to c158 Beveridge & North West PSP.

Really, a quarry a couple hundred meters from a proposed residential zone. The dust and noise pollution alone would greatly disrupt the ambiance, i know ive experienced it and it is sole destroying. Trucks trucks trucks and more trucks creating damage to the roads creating dangerous driving conditions. I know ,ive experienced B double trucks on the wrong side of the road dodging holes created by them. What are you thinking? Oh yer, the \$\$ with total disregard to our community, you should be ashamed of yourselves.

I confirm that I have read and agree to the above conditions for making a submission.
