I am writing to oppose the proposed quarry in North Beveridge. After raising my daughter as a single mother, at the age of nearly 50, I was finally able to build my own home. This proposed quarry will cause dust, noise, damage to roads from trucks, not to mention a possible drop in value of my property. I decided to build in Beveridge due to the country quiet atmosphere and don't want that to change. I guess the power that be would not be concerned by my opinion but I have worked hard to realise my dream and I don't want this quarry to ruin that. Thankyou

I confirm that I have read and agree to the above conditions for making a submission.
