Affordable housing has been discussed for future development,  
Current properties from research of new quarries approved shows from studies to loose on average 5-7% of property value and in extreme close proximity up to 20% which we are located

I personally will be affected in the amounts in between \$32k and at extreme \$97+ from previous results of new quarry being approved

Amongst other environmental concerns such as dust pollution for health, noise pollution for personal lifestyle, poor traffic management for loss of time due to delays, an amateurish approach to ensure a balanced traffic system.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
