There are already enough quarries in the area that have impacted homes and businesses, we do not need another one! This proposed quarry will not provide any real benefit to Mitchell and if anything, will drive future home owners and businesses away. It's surprising that this is even planned for an area in the Growth Boundary. As of November next year, Beveridge and Wallan will be classed as Metro. It doesn't make sense to me. There has been an overwhelming response against the quarry.

I confirm that I have read and agree to the above conditions for making a submission.

Yes
