Reference - Amendment C158 - Beveridge North West PSP - Opposed to the Quarry

The amendments to the referred PSP poses many issues for the local community and environment.

Of particular note is the already crowded and dangerous road networks. Without adequate surrounding road infrastructure, the proposed quarry will make the area unliveable due to resulting/additional heavy haulage traffic.

We strongly oppose the new quarry in the area with the rapid urban growth already being undertaken.

Local and state governments cannot have both ways with the impact to the existing community and environment.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
