I am opposing the quarry in the Beveridge/Wallan area due to the following reasons:

- Dust/air pollution in surrounding areas
- Traffic congestion on the off ramp and surrounding roads
- Noise pollution in surrounding areas
- This quarry will be close to homes, impeding the construction of infrastructure including schools, homes, kindergartens, shopping centers, community centers etc.
- Impeding the construction of green spaces and parks and increasing fossil fuel emissions
- The quarry will effect the future of the young people in mitchell shire, 30 years is NOT a short time frame for a young person, it is their entire childhood, teenage, young adult and adult years

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
