First name

Josh

Last name

Jordan

Postcode

[REDACTED]

Are you making this submission as:

An individual

Does your submission relate to an address within the Beveridge North West precinct?

Yes

Email

[REDACTED]

Daytime contact number

[REDACTED]

Write your submission

Quarry will be awful for the area as the trucks that will be coming in and out causing more congestion on the roads, the deterioration of the roads as seen with other quarries no amount of maintenance seems to be able to keep on top of the damage to the roads from increased truck use. Just look at bridge inn road near Hanson quarry, oaklands Junction road, Donnybrook road. They are in disgraceful condition especially in winter with trucks dragging so much dirt and mud out onto wet roads for kms around the access roads to the quarries. Then the dust in summer which they say is monitored, I have worked in open cut mining my whole life and have experience in dust suppression no amount of any sort properly suppresses the dust. They always shut down when a complaint about dust is made and inspectors come out to look so it doesn't look as bad. A quarry will not benefit this community. Don't build allow it to go ahead.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
