Our family didn't get to say NO to the Quarry, downloading a flyer does nothing! Your submissions is for plans already in place, in other words, the quarry is going ahead and no one got a real say to stop it. Why pretend one family has a vote on the subject, when we all know council as part of vic.gov.au have already decided for us that the money injection from the quarry outweighs the damage. It's not about the people, it's about lining the pockets with dollars. It's like the saying goes, it's not personal, it's business. Well that's ok for the business, but it forgets that all things should start with the people, as it is personal to all citizens of Wallan and Beveridge. Our vote even though we do not have a real say in it, is NO to the quarry. Why ? The area will look terrible with a Quarry, and house prices will go down for all. Thanks for listening ( I doubt it ). Simon & Kylie McInnes, [REDACTED] .
