I oppose the proposed Wallan/Beveridge quarry that will impact all who live in close proximity.. My concerns are the noise, the dust, the traffic and our already busy roads which are in extremely bad condition already will increase risk and safety of us who use the road to travel to and from work. Please find another location far far away!!!

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

No
