This quarry can not be a load to go ahead, the traffic problems coming into Wallan from the Hume hwy are bad enough now. Putting an extra set of traffic lights and bbq king the traffic up even further will be a deadly mistake.

Let lone the dust, the scar on the landscape and the harm this will have on house prices in both the Wallan and Beveridge communities. All this for a few jobs that will be brought across from another site the company now operates somewhere else, no benefit to the local community.

Come and spend an hour on the side of the road where he northern highway leaves he Hume and you will see why this can't be aloud to go ahead.

He community do not want this !!!!

I confirm that I have read and agree to the above conditions for making a submission.

Yes
