RE: Amendment C158 – Beveridge North West PSP

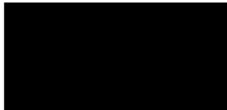

We are writing to voice our opposition to granting a planning application for a quarry in Wallan at 175 Northern Highway. The establishment of a quarry in this area is totally inappropriate and will have a negative impact on the Wallan community.

The quarry will be placed in the middle of a residential area and proposed residential development in Wallan and Beveridge. Wallan in particular has developed a thriving residential community with a rural atmosphere. This will be destroyed by the proposed quarry. The road access to the quarry on the Northern Highway will not only cause and inconvenience and danger to the local residents but also to all users of the highway particularly vehicles attempting to exit the Hume Freeway and continue north along the Northern Highway.

Mitchell Shire Council has already rejected this application twice due to its commitment to protect the local residents from the traffic congestion, noise, dust, vibrations and impact on their health and wellbeing. Please ensure that this quarry application does not proceed.

Yours sincerely

Peter and Sue Lawrence
