Subject: NO QUARRY

Hello,

I being a local am writing to put ahead of my concerns with the proposed Quarry.

This quarry is going to have a significant impact on the life of locals. Being a resident It is my right to voice my opinion. Quarry will have adverse effects on the health of the residents including our children. We don't want our children to suffer at any cost.

Moreover, it's going to add further traffic on roads and impact the tranquillity of the surroundings.

I trust this make sense and the opinion of the residents will be considered before making any such decisions.

Kind Regards,

THAKAR SINGH
