**Subject:** Amendment C158 - Beveridge North West PSP  
**Date:** Thursday, 2 December 2021 9:07:18 AM

---

Dear all

We are writing to express concerns regarding the proposed quarry as above.

Our concerns as residents are:

- noise levels including vibration and machines
- the amount of dust created
- the impact of traffic on an already dangerous and congested Northern Highway
- the proximity to housing
- the impacts of health to the residents of Wallan and Beveridge
- environmental concerns

We do not support this quarry.

Joe and Sue Consiglio
