We have been residents in Wallan for 32 years.

We are strongly opposed to the Quarry at 175 Northern Highway Wallan.

I work at the Northern Hospital and most nights are held up with traffic going way back onto the freeway.

A Quarry on the Northern Highway would make the traffic situation much worse. We don't have the Infrastructure to support a quarry.

The added congestion, noise ,dust would impact on the liveability in Wallan and would impact on the real estate market. The road driving into Wallan should be developed into a very aesthetic road which would further develop the area and encourage people wanting to live in the area. I am hearing it is a done deal and looking in the review with jobs advertised this makes me believe it is a done deal.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes
