I would like to express my objection to this proposed quarry. I believe it's not the right sort of business for this area because it's too close to the community and would impact on the growth and property value of the rate payers homes. We are a country town and would like to stay that way. The impact of dust, noise and the huge amount trucks entering the freeway would greatly impact the safety of other road users and the safety of the community and the families living here. I also believe the developer of this project has an absolute disregard for the impact it's causing the town and greed seems to be their number one priority and not safety and well-being of this community.

I confirm that I have read and agree to the above conditions for making a submission.

I agree to the Collection Notice
