I am opposed to the quarry being built. We have mentioned time and time again that we are unhappy with this. Why is it going ahead when both council and local residents have said they don't want it? Who is making money from this? Who benefits from the quarry? Not us, the local residents. The quarry will bring blasting, noise, pollution and traffic to the area. Listen to the people. Keep Wallan green and clean!!

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice
