Att: Peter, Samual & Laurie,

I write as a member of Wallan "NO TO THE QUARRY".

May I suggest having a stand in a place such as Wellington Square where people can sign a petition or even a QR code they can scan that will enable them to sign an online petition. Any way to get as many voices heard. Sadly I hear around town that many oppose the quarry but don't know how/or have the convenience to a petition.

Another suggestion is taking the matter to A Current Affair. That always gets a lot of attention with positive outcomes.

Thank-you for the letter drop off.

Thank-you for the opportunity for my opinions to be heard.

Good luck and stay safe.

Kind regards,

Deanne McCulloch
