My husband and I purchased a house in Wallan approx. 12 months ago. I am in the Army and this where we plan to stay (after moving many times in 20 years) because Wallan has a 'country feel'. We do not want a quarry in this area. I [REDACTED] and the quarry will result in dust/air and noise pollution decreasing my quality of life. The ground vibration will increase [REDACTED]

I am also concerned about the impact on the environment such as biodiversity, land degradation, water pollution and landslide

There will be heavy traffic pollution. The Hume Freeway on/off ramp is not designed to accommodate additional, heavy traffic and will pose a risk to current road users.

I never would have purchased a house here (risk is a decrease in property prices) if I knew a quarry was proposed - this was never identified in the conveyancing. There has been limited media coverage because the owners of the land own the local media therefore limiting community engagement/consultation with VPA. This is a conflict of interest for the community. I want to see this area transformed into parklands!

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
