Regarding the proposed Amendment C158 – Beveridge North West PSP, I do not agree or consent with this quarry proceeding to be constructed.

The area does not require the environmental, health, physiological, or phycological impacts that this will bring being so close to Wallan / Beveridge area.

The noise, dust, traffic, noise, and environmental impacts will surely show that this is not the best place for a quarry, and the plan needs to be reconsidered immediately.

Thanks.

I confirm that I have read and agree to the above conditions for making a submission.
