I would like to register my vote as "no quarry" for the proposed quarry located on 175 northern hwy, Wallan.

I urge you to not lodge the plan for the proposed quarry in Wallan, during the normal traffic travelling into and out of Wallan traffic is horrendous, planning for a quarry on the main road is a disaster. There have been many times the traffic encroaches onto the Hume and have seen numerous close calls due to the unexpected traffic conditions. Let alone the road conditions within Beveridge & Wallan from heavy vehicles travelling through currently. I am also opposed to the idea of increased noise, dust, vibrations and congestion which will impact health, well-being and liveability for myself, my family and other residents of Wallan.

Please do not proceed with the planning permit.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice

Yes
