It is unconceivable that a quarry could even be contemplated for this are - in between Wallan and Beveridge and almost on top of a new housing estate . Not only inconceivable, but immoral. What happened to a property owner's (or Renter's) right to quiet enjoyment?? Blasting 5 days a week every afternoon for 20 years!! Noise, dust, poluution, environmental degradation loss of and destruction of the landscape, traffic. huge trucks. etc etc.

There are other quarries that can be used.

Anyone who lives in the area knows how strongly the winds blow - imagine living in a house even a kilometre downwind of this proposed monstrosity!

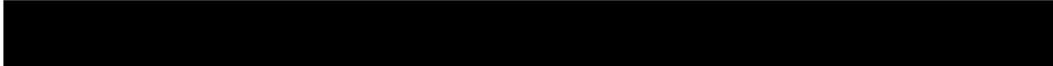

No way should this quarry be allowed to go ahead.

Stop it now!

Thank you

Bee Barker
