My wife and I have lived in Wallan, Hidden Valley since January 2003. We are 58kms from the Army training base at Puckapunyal and can hear the gun fire during artillery training. During 20+ years of military service I know what it would be like if the "proposed Quarry" ever becomes a reality - Noise protection would be worn every day and we will all be affected by the dust and pollution raised. I find it very distressing just thinking of the disastrous effect that this monstrous quarry will have on a community which has become a great place to live in,

Thank you
