I wish to object to Amendment C158 - Beveridge North West PSP for the following reasons:

Impact on traffic congestion on the Northern Highway by the addition of trucks and traffic

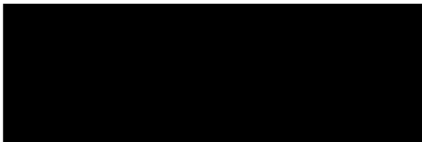

signals which will slow traffic exiting from the Hume Highway and cause additional congestion. The quarry location will also impact the Northern Growth Corridor which includes an arterial road between Beveridge and Wallan.

Health and environmental Impacts of a quarry located between 2 growing townships of Beveridge and Wallan.

Very concerned of the potential respiratory illnesses from dust being carried outside of the buffer zone into the close proximity to residential areas including sporting facilities and schools.

Environmental impacts on the land, soil, water, air pollution, wildlife and long term scarring of the land.

Kind Regards,
Nicole Mathers

I confirm that I have read and agree to the above conditions for making a submission.
