Hi,

Regarding the proposed Quarry @ 175 Northern Highway Wallan, we oppose this Quarry due to congestion impacting health, wellbeing and liveability in the area.

We moved here from Northcote for the peace and quiet where putting up with all the new builds and roadworks presently but to think that there would be even more noise pollution, roadworks and even more dust and vibration is unbearable.

For the health and safety of all residents here we strongly oppose this quarry.

Yours sincerely

Greg & Trudy Mill
