**Subject:** Amendment C158 – Beveridge North West PSP  
**Date:** Wednesday, 15 December 2021 7:51:03 PM

---

My name is Matthew Hoo, a resident in Beveridge West. [REDACTED]

I am writing to voice my opposition to the proposed quarry that is proposed near my current address.

I have read the Precinct Structure Plan.

Nonetheless I cannot locate much specific details about the quarry apart from the fact it was proposed.

I do however trust our local council to make the right decision for us and I understand they have rejected the quarry proposal twice now.

Politics is quite beyond me to understand, but I can confirm that my children are suffering new and worsening unusual allergy type symptoms since the development of the new estates have begun and I am sure a quarry will not help the air quality at all in this regard.

Thank you for your kind attention regarding this matter.

Matthew
