I would like to write a submission in protest of the quarry proposed in Beveridge north west PSP. It will affect my general amenity. It will create issues of dust, noise and traffic. It will increase the heavy vehicle traffic movement. It will significantly reduce the air quality. Blasting can affect the structure of our house and will create disturbance. The quarry will provide no community benefit. Addition of the quarry in Beveridge north west PSP will not attract families to the suburb.

I confirm that I have read and agree to the above conditions for making a submission.

Yes

I agree to the Collection Notice
