As a resident of wallan i oppose the development of the quarry due to:

1. The road in and out of wallan is already congested let along adding numerous quarrie trucks
2. The road conditions are already poor in Mitchell shire and adding heavy vehicles will only make them worse,
3. The amount of dust that will be created in an already windy suburb
4. The noise from blasting for rocks.
5. The positioning in the growth corridor between beverage and wallan.

All these factors together would create caos and distributions to a quiet country town.

**I confirm that I have read and agree to the above conditions for making a submission.**

Yes

**I agree to the Collection Notice**

Yes
